## Our Town

By Peggy Blanchard

From Berkeley's YWCA this week comes a letter highly praising Marilyn Lobrovich of Campbell—she's the daughter of Mr. and Mrs. Mitchell Lobrovich of Latimer avenue. Marilyn's commendation is for her outstanding work with Y-Teen groups of girls in Berkeley, where she is herself a sophomore at U of C, majoring in sociology. She attended Campbell High School and San Jose State before entering the University.

Just found out that Gibson Walters, musicologist at San Jose State College, will address members of Country Woman's club Monday afternoon on the subject of "Vibrato"—(Webster says this is a pulsating tone in music, caused by rapidly varying the emphasis on the same tone). Miss Alma Taylor, coloratura soprano, and Miss Marion Hunter, pianist, are on the program, too, as is Joan Newberger, who will dance and sing, accompanied by her father, Al Newberger.

Learning to walk on crutches is something of an art, Mrs. L. J. Barber finds.—She fractured an ankle bone lately and report has it she'll be some four to six weeks on the mend.

"They" say shippers began packing cherries in Vacaville on Tuesday. Campbell orchards are green—not with envy, but with a fine crop of fruit. And the strawberry season is here, bringing the old and delicious argument — sponge cake versus rich biscuit pastry and wedges versus individual shortcakes.

No matter which way you slice it—strawberry shortcake is one of the lovelier things of life — I'll have just a wee bit more whipped cream on mine, please.—

The new fire house opposite Cambrian School will soon be a reality, I'm told—it's to house one of the County Fire units. If you live outside the Campbell Fire District, your call for a fire department will be relayed from Bal. 7212 by radio—since May 1 when Robert Mason, who is in charge of radio calls for County departments, announced that the radio hook-up oon fire calls was complete.

There'll soon be a new report on the dam site at Windy Gap, it's said. Opponents of the Lexington Dam plan are still mighty unhappy about it all, our scouts say.

Cannily timing a big, two-day rummage sale with spring cleaning season, women of the Sigma Sigma group at Congregational church are taking a good many odds and ends off local house wives' hands this week. Their sale is from 9 to 5 Friday and Saturday and you can call Mrs. Roy Stoner at 2410 if you want to send a bundle. But I'm not suggesting you send father's favorite fishing hat or those neckties he's been saving for years—not me!

Have you noticed that the parking lot beside the depot is railed and graded? It's an added community service of the American Trust Company and looks mighty trim and tidy along that side of Campbell avenue.

At the regular monthly meeting of Footlighters, held May 11 in their hall in the Price barn, Dry Creek road, Mr. and Mrs. Daniel Gould and Bob Doyle were elected to membership and Mrs. Grace Middleton was elected a novitiate member.

Carlton Worth, instructor of dramatics in adult education classes at Los Gatos High School, gave the history of his life on the stage and several readings from Shakespeare.

Refreshments were served by Gene and Irene Hodges.

## Examination Date Set

Competitive examinations for West Point and Annapolis will be held on July 12, Congressman Jack Z. Anderson announced.

The July examinations, conducted by the Civil Service Commission will determine candidates for appointment to the academies in 1949, and all applications from this district must be in Anderson's office, Washington, D. C., by June 1.

## Sheriff's Posse To Ride in Big Rodeo Parade

If a gal with shootin' irons, jeans and bandanna greets you when you walk into your favorite store Monday morning, May 24, don't try to escape. It's all part of the fun.

May 24 to 30 has been officially proclaimed as Rodeo Week in San Jose and salespeople and others around the area will be decked out in Western regalia for the occasion.

Store windows will display fancy riding gear, trophies, posse uniforms and pictures of the contestants. Dick Levin, 1930 So. First St., San Jose, is chairman of the Rodeo.

Several Rodeo dances are planned for the week, and the Chamber of Commerce, radio stations, newspapers and moving picture theaters have all pledged their support not only to build up San Jose's Rodeo Week as a Carnival of fun but as one more event which will bring prominence to the community.

The Queen of the Rodeo, chosen this Wednesday eveni, will reign over Rodeo Week and lead a big Posse Parade Sunday morning before the Rodeo, May 30. Later she will be featured in a series of eight Western movies to be made in Santa Clara county.

## Donors Asked for Movable Unit

If you are between the ages of 21 and 60, and weigh at least 110 pounds, you can make a big contribution to American safety and Campbell's own blood bank Monday noon.

Some 30 donors are urgently needed for that day, when the movable unit of Santa Clara County Blood Bank Center will be stationed in First Methodist church here from 11 a.m. to 1 p.m.

Three nurses or nurses aides are also needed, and volunteers should confer with Mrs. Merle Gardner, whose phone is Campbell 2080, general chairman for the local blood bank.

Corsages will be given to the women and buttonieres to the men who contribute blood Monday.

**COUNCIL MEETS**

Campbell Community Council meets at 8 p.m. today in the High School Little Theatre.

## Mrs. Magnasco To Enter Her Plea In Superior Court

Mrs. Giovanna Jane Magnasco, 57, is scheduled to enter her plea this Friday at 10 a.m. in Superior Judge William F. James' court, San Jose.

Mrs. Magnasco is charged with the murder of her husband, Pietro Magnasco, 68, April 2.

District Attorney N. J. Menard is handling the case personally. Mrs. Magnasco's attorney is Joseph Bonacina.

The widow of the Bucknell avenue rancher was held to answer in superior court following preliminary hearing on April 20, before Justice of the Peace John P. Dempsey. Witnesses called by the district attorney at the hearing reported that two shotgun blasts had been fired into Magnasco's body while he lay in bed at his ranch home.

## Legion Whist Plans Complete For Saturday

Campbell Post 596 of the American Legion has set 8:30 p.m. May 15 as the time of its fourth annual public whist party.

Campbell High School gymnasium will be the scene of the card party, which benefits the local legion Memorial Community Center building fund.

In completing plans for the affair this week, Chairman A. G. Knowles and his committee, Guy Smith, Al Carter, John Crawford, Norman Corvello, Jim Peer, Clarence Fagalde, Ed Lee and Roy Hammonds commended the co-operation of legion members, women of the Auxiliary and local merchants, whose contributions indicate that the event will oudo successes of past occasions.

## Opens Law Office

Norman A. Stoner, attorney, recently opened an office at 131 E. Campbell avenue in addition to his office in the Commercial building, San Jose.

A resident of Campbell for two years, Mr. Stoner was graduated by Princeton University and by Stanford University Law School. He served as a lieutenant in the U. S. Navy during the war and is now on reserve status. Mr. and Mrs. Stoner and their son live on Walnut drive here.

## New Look AT THE Old View

Portrait of a town: If I was in a poetic mood I might well say . . . "Life moves on apace" (Latin; verb passere, passus or pandere, meaning to stretch quickly) . . . but I can't do it, I'm just not in a poetic mood.

x x x

The initial outburst was inspired by a sort of travelogue this sunny p.m. Struck by the changing face of the community I decided to give Campbell Station the double "O' today. Here's what the optics got home with: Bud Turnstall's gleaming new garage and gas station on Winchester and Rincon, the shine of the place and the courtesy exhibited (and no one knew me when I pulled in) seemed outstanding. One man's opinion but the grease looked so greasy to me and there wasn't any on the hood when the man got through.

x x x

Dick Morton, youthful and vigorous as a Kentucky Derby 'Citation' in town on legal business . . . quipping that "the old town looks pretty good, but when do you get some white crossing lines and street sweeping?" No answer from me.

x x x

Jim Brand, Frigidaire, is studying up more and better ways and means to install, sell and service the new atomic age products of G.M. Jim makes them sound powerful tempting . . . 'specially the new automatic washing machine . . . yum, yum.

x x x

Incidentally on the subject of "Curly Brand" . . . the gent just last Sunday made his cross country flight to Fresno and return . . . solo . . . sans incident . . , except for his instructor's "sweating it out" in San Jose . . . needlessly of course. Jim did everything right except landing on the wrong airfield and passing a town on the right instead of the left on the way down. But the big boy said, "well done."

x x x

And so we meander down the street and drop in on Lowell Benson . . . who has just now got the bits of steel and oil out of his hands, the same which got there from being a helper on the putting in of a complete new dry cleaning plant . . . including tumblers and stuff . . . so you can now bring your things in in the a.m. and get them out in the p.m. if you so desire. P.S. (Lowell is a cleaner and presser par excellence).

## Tuning Up for Spring Concert Friday

Final rehearsals for Campbell Union High School's Spring Concert were held this week as musicians of the 'little symphony' tuned up for the performance at 8 p.m. Friday in the school auditorium.

Proceeds will be used for band uniforms for CUHS band, which is directed by Frank Triena.

The newly formed Girls Glee club, the high school choir, the orchestra and soloists will combine their talents for this fourth annual concert.

On the program are:

"Semper Fidelis March" (Sousa); "Lustspiel Overature" (Keler Bela); "Donkey Seranade" (Stothart) by the orchestra.

"Go, Song of Mine," "O Bone Jesu," "The Lord's Prayer," "Fireflies" and "Lost in the Night," by the Choir; "The Desert Song" (Romberg), Prayer from "Hansel and Gretel (Humperdinck) "Wings" (Fibick) "Agnus Dei" (Bizet), by the Girls Glee Club.

"Unfinished Symphony" (Shubert) "Marionette" (Isaac) and Concertino for flute and orchestra (Charminade) by the orchestra.

Soloists are Katharine Fuller, flutist, and Aileen Ciraulo, vocalist. Mrs. Marye Parker directs the glee club, and the orchestra and choir are directed by Mr. Triena.

## Huge Storage Tank, Well Underway

A long range modernization program was this week initiated by the Campbell Water Company under the direction of Ralph and Homer Hyde.

Plans call for the drilling of a fourth well, on Hamilton avenue near Central, to be known as the No. 4 station.

The new well may go down to 900 feet with 14-inch casing. A large reservoir of water will be tapped at a much lesser depth, but drilling will continue down to a point where future water needs of the vastly expanding community will be assured.

A 75-horse-power, electric pumping system is to be installed at the location of the new well, which will provide at least 500 gallons of water per minute. This will give the company a minimum of 3000 gallons per minute of combined capacity from four stations. This represents an approximate 50 per cent increase over present supply.

In addition to the new well and the laying of new mains, a half million gallon storage tank is now being erected by the Pittsburg-Des Moines Steel Company for the Campbell Water Company at their main pumping station on First street.

Work was started Monday, May 10, on the new storage tank which is scheduled for completion in two weeks time. The tank is of half-inch steel plate, specially treated to resist rust and corrosion. The former reservoir which is to be continued in service and connected to the new tank has a capacity of 50,000 gallons.

Ralph H. Hyde, president of the company, and Homer Hyde, secretary, have made an exhaustive study of the business and population growth of the area their company serves. To anticipate demands for many years ahead, they have embarked on this expansion program. At the present time, the immediate Campbell area consumes about 2 million gallons of water per day in the summer, dropping to a low of an average 350,000 gallons daily in the winter months.

Homer Hyde explained to The Pess that this wide divergence necessitates a very large capital investment in equipment which is only profitable for about three months in the year. With this in mind, the company has appealed to the California Public Utilities Commission for a revision of their rates, which have been in effect at the present level since 1922. Labor and material coosts have, of course, risen sharply since the rate schedule was put into effect. The new rates, if authorized, will increase monthly water bills of consumers by the following amounts:

Five cents for those using between 400 and 500 cubic feet per month.

Ten cents for those using between 500 and 600 cubic feet per month.

Fifteen cents for those using between 600 and 700 cubic feet per month.

Twenty cents for those using more than 700 cubic feet per month.

Cost of the present modernization program approximates $50,000.

## Olson To Speak At Town Meeting

Herbert A. Olson, executive of Public Administration Service, San Francisco, will address a free public meeting at 8 p.m. Friday, May 21, in Campbell Union High School auditorium when candidates for city clerk, city treasurer and five councilmen positions under the proposed incorporated City of Campbell will be introduced.

## Gold Star Mothers Honored at Auxiliary Tea

Bright spring flowers, lighted candles and an attractive tea table formed the setting for the annual Gold Star Mothers tea given by Campbell Auxiliary to American Legion Post 596 Friday afternoon.

Guests were entertained in Country Woman's Clubhouse, where they were welcomed by Mrs. Harold Peck, auxiliary president.

Opening ceremonies included the advance of the Colors, oath of Allegiance, singing of the Star Spangled Banner, and a prayer by the unit chaplain, Mrs. Leslie Fairchild.

During a program arranged by Mrs. John Hummel, Katharine Fuller, a junior member, presented a flute solo. She was accompanied by Mrs. David Sanders.

Piano solos were played by Janet McBain and Gary Fuller and Campbell High School Girls Glee Club sang a group of songs, under the direction of Miss Mary Parker.

Mrs. Vivian Wright of Hollister, district president, and Mrs. Margurite Blackburn, state chairman of Girls' State, poured tea. An arrangement of yellow roses sent by Robert Scholtz centered the table.

Mrs. Madelaine Spillard, president of Memory Post Auxiliary, and Mrs. Guy Smith, junior counselor for the district, were among the guests.

Mrs. Monica Parr was in charge of decorations and Mrs. Ethan E. Lanphear and her committee served refreshments.

## Hostesses at Dancing Party

Ocowasin Campfire Girls, the seventh and eighth graders of Mrs. W. C. Henley's group were hostesses to classmates at their first dancing party Friday evening at the Scout Hall.

The hall was decorated in pink, aqua, and yellow crepe paper streamers and balloons of matching colors, with large bouquets of flowers. Music consisted of popular records played on the phonograph with loud speaker attached.

An enjoyable evening was climaxed with variations of girl's tag, boy's tag, courtesy, elimination and partner choice dances.

Delicious refreshments were served at 11 o'clock.

Chaperones were: Mr. and Mrs. W. C. Henley, Mr. and Mrs. Norman Lamb, Mr. Vestal Royce, Miss Gladys Merriman and Mrs. David Sanders.

The girls present were Joan Herd, Janis Henley, Mardel Sanders, Judy Snyder, Barbara McBain, Nada Stepovich, Betty McCreary, Patty Powell, Mary Lou Fairbanks, Glenelle Walton, June Dairy, Edith Olson, Marlene Lamb, Joan Lapman and Sharon Clare.

The boys present were: Ronnie Edlemon, Carlo Bonacore, Merritt Johnson, Kirt Hood, Dick Lansdale, Ronald Whitney, Harry Ruscigno, Dick Fite, Clark Ikenberry, Harold Strong, Harold Cunningham, Jack Gouin and Cleo Jones.

## Hughes-Bierman Wedding Solemnized In St. Lucy's Church in Campbell

St. Lucy's Catholic Church was the scene of one of the spring's loveliest weddings May 1 when Louis M. Hughes claimed Miss Mary Lou Bierman of San Jose as his bride.

The young couple are honeymooning in New York City for five weeks. They will open their new home on Harrison avenue when they return.

The bridegroom is the son of Mr. and Mrs. M. F. Hughes of Stevens Creek road. He was graduated by Campbell High School and is employed by Ames laboratories. The bride is the daughter of the late Mr. and Mrs. George Bierman.

For the mid-afternoon ceremony, the church altars were decked with calla lillies and white tapers tied with white satin bows. Pews of the church were marked with clusters of lillies and satin ribbons.

The bride chose a white satin gown and a fingertip veil held by a tiara of orange blossoms. Her bouquet was a white orchid tied with long satin streamers and carried on a silk prayer book.

Miss Joan Bierman was her sister's bridesmaid and wore a gown designed like the bride's but in blue faille taffeta. Her french bouquet was of pink baby roses tied with pink satin ribbon.

Little Maurine Fox of Pasadena, who was flower girl, wore a similar frock of yellow faille and carried rose petals in a basket of blue ruffled tulle.

J. G. Brown, uncle of the bride, escorted her to the altar.

W. A. Kruse of San Jose was best man and Douglas Hughes, a cousin of the bridegroom, and Jack O'Neill of San Jose were ushers.

Mrs. R. D. vanRossem, organist, and Mrs. G. H. Parker, vocalist, provided the wedding music.

Reception of some 150 wedding guests was held in Country Woman's clubhouse, where Mrs. G. D. Wilson of Campbell had arranged a spring garden background. The wedding cake was served by Miss Velma Kopanica of Cupertino. Shirley Hughes and Mary Levetro, of San Francisco, assisted with serving, as did Donna Lea Hughes and Maurine Fox.

# Monday Recital Presents Piano Pupils

Admiring parents, relatives and friends of Mrs. David Rutherford's piano pupils thronged the Country Woman's clubhouse Monday evening for a spring recital given by the group.

Large baskets of mixed spring flowers decked the hall and the mantle was banked with greenery to form a background for the young musicians.

Pupils presented in the recital included:

Linda Corey, Pearlene Lewis, Bill Nelson, Ernest Spadafore, Gail Gerlach, Betty Buehner, Joy Deach, Lona Mae Noonkester, Dewight Klassen, Eva Herschbach, Letitia Ann Reagle, Janet McBain, Joyce Hansen, Mary Lou Cline, Pauline Cleveland, Arthur Sutton.

Joan Dorlet, Lynn Shelton, Jeanne Richardson, Regina Smith, Doreen Frank, Marie Bechlen, Shirley Bakich, Betty Williams, Shirley McCallister, Audrey Arnold, Margaret Smith, Joan Oeser and Beverlee Benson.

### PROGRESSIVE DINNER

A progressive dinner was held by the Sequoia Sewing Circle of the Degree of Pocohontas, Netops Council. The affair started at the home of Irene Hodges, trailed to Ruth Livingston's, president, thence to Blanch Gilpatrick's and stopped at the home of Vivian Johnson where dessert was served and an evening of Dutch whist was played. Attending the dinner were Alma Fanning, Florence Wisler, Ruth Franzen, Nell Franzen, Mary Grey, Russie Fulton, Zalla Shaw, Bertha Hindle, Sharon W. Parker, Ella Whitaker, Veda Folden, Edith Anderson, Rita Noyer and Opal Hewitt. Mary Amstuts joined the girls at the home of Vivian Johnson and Mrs. Poor was a guest at the Dutch whist game.

Next business meeting will be held at the home of Ruth Franzen with Nell Franzen co-hostess, on Thornton Way, May 20.

# Baptist Mission Group Meets

The Women's Missionary Society of the First Baptist Church of Campbell met with Mrs. Hattie McGuire on Monday night in a Royal Service program. The theme was "Labors together in our denomination."

Mrs. Richards led the devotional which was followed by prayer with Mrs. Jack Allcorn. Mrs. Allcorn also discussed labors. Others on the program were Mrs. L. Henderson, Mrs. Eva Galloway, Mrs. Joe Nixon, Mrs. Crider and Mrs. Josie Kimbriel.

# Brownies, Scouts, Fete Mothers

Brownie Scout Troop 83 and Girl Scout Troop 77 of Cambrian School entertained at a joint reception of mothers Saturday afternoon, May 8, in the gardens of Mrs. J. F. Levenburg's home, San Jose-Los Gatos highway.

French bouquets were presented to each mother as she arrived and each had a ceramic gift, too, made by the girls.

The Brownies entertained with songs, dances and recitations and the Girl Scouts served punch and cookies, baked by themselves.

The two troops are under the direction of Mrs. Levenburg and Miss Marian Stark and are sponsored by the Cambrian Home and School club.

# County TB Association Elects Officers

At the annual dinner meeting of Santa Clara Tuberculosis Association May 4 in Palo Alto the following officers and directors were elected:

President, Dr. C. Gerald Scarborough; president-elect, Miss Anita Laton; vice-presidents, Drs. Lemuel P. Borden and Byron Ward; secretary, Mrs. R. C. Gallagher, all of San Jose; and treasurer, Mr. Oran Slaght of Los Gatos. Directors: Mrs. Deb Bihn, Dr. Holden E. Brink, Rabbi Iser L. Freund, Miss Clara Hinze, Mrs. Robert Elizondo, Robert Kennedy, Dr. Lee Watanabe, Dr. T. N. Foster, Dr. John Wilson, Mrs. Leslie Wilson and Mrs. Mona Brown, all of San Jose; Mrs. Anne Aller and Mr. Robert Everett of Los Altos; Russell Davenport and Dr. Courtney Tremaine of Los Gatos; O. C. Hadley and Dr. Leon Melkonian of Gilroy, Mrs. Robert Dettner and Reverend William B. Smith of Palo Alto.

Dr. Sidney J. Shipman, chest specialist from San Francisco, was guest speaker. Dr. Shipman praised the case-finding program of the Santa Clara County Tuberculosis Association which through the cooperation of the County Medical Society and the health departments has become one of the outstanding programs in the state. Dr. Shipman spoke of BCG, a vaccine for tuberculosis being used extensively in Europe where tuberculosis has become an epidemic disease, but which so far in this country with a declining death rate has been used in a limited way.

Groups in which its use in this country is recommended, Shipman said, are: 1. Tuberculin negative persons in groups occupationally exposed to tuberculosis, such as hospital personnel, 2. In population groups with high tuberculosis morbidity and mortality rates, and 3. Where there is a known exposure to tuberculosis, such as households into which a member has returned or is returning from a sanatorium.

### LAUDED AT FESTIVAL

Miss Katharine Fuller, a senior student in Campbell High School, participated in the Music Festival of Northern California held in Oakland last Saturday. Miss Fuller played a flute solo and received a rating of "one plus, plus" by the judges. Mrs. David Sanders was her accompanist. Katharine is a flute student of George V. Currlin. She is the daughter of Mr. and Mrs. Rex K. Fuller, San Tomas road, Campbell.

## SEA FIGHTERS CHANGE ARMOR - - NOT HEARTS

From the inception of the Navy Department a century and a half ago American warships have vastly changed from wooden frigates and privateers to steel-hulled battleships, cruisers, and carriers, but the will to fight in defense of America has undergone no transition. The veteran USS Constitution, shown in upper photo in battle with the British ship GUERRIERE in 1812, rests in retirement in Boston, content to repose the security of her country today in such craft as the USS Alaska (lower), American version of the German pocket battleship. Construction began on the Alaska 10 days after the Pearl Harbor attack, yet she had ample time to participate in many strikes against the Japanese in World War II. (Official Navy Photograph)

## Homemaking Today

By Claire Raymond
P. G. and E. Home Economist, San Jose

Pressure cooking is ideal for busy homemakers and working women who want a complete, low-cost meal in a short time. With a pressure saucepan, the less-tender, economical cuts of meat can be prepared in about one-third the usual time. If you have an electric range, this means electricity saved in the present serious drought and resultant power shortage.

**Meats which can be successfully cooked under pressure include pot roasts, short ribs, stew meats, Swiss steak, corned brisket of beef, lamb neck slices, tongue, heart and flank steak. The tender cuts which are at their best when roasted, broiled or pan-fried are not recommended for pressure cooking.**

Before starting to use the pan, read the directions carefully. When planning meat cookery, keep these pointers in mind:

1. Defrost frozen meats before cooking.

2. Brown pot roasts **slowly** in hot fat before putting on the lid. The brownness lasts during the high pressure cooking.

3. Accurately count the time required for the meat to cook. An extra minute or two in the pressure saucepan is comparable to many minutes of over-cooking the usual way. A minute timer is a useful device for this purpose.

4. For cooking meats which usually are braised, allow 10 minutes per pound at 15 pounds pressure. For cooking the cuts that are simmered or stewed, allow 15 minutes per pound at 15 pounds pressure.

Here is a recipe for **Bavarian Pot Roast** which you might like to try in your pressure saucepan.

- 3 pounds chuck roast
- 3 tablespoons flour
- 2 teaspoons salt
- ¼ teaspoon pepper
- 1 medium-sized onion
- ½ bay leaf
- 1 teaspoon caraway seeds
- 2 tablespoons cider vinegar
- 2 tablespoons water

Dredge meat with flour, salt and pepper. Brown meat in melted fat in pressure saucepan. Add chopped onion, bay leaf, caraway seeds, vinegar and water. Cover tightly. Begin counting time when pressure gauge reaches 15 pounds pressure. Cook for 30 minutes. Allow gauge to return to normal. Remove meat and onions from cooker. Thicken liquid with flour or ½ cup crumbled gingersnaps. Serve with fluffy rice or cooked noodles.

# Memorial Poppies Arrive for May 21 Sale

Memorial poppies which the people of Campbell will wear in honor of the war dead on Poppy Day, May 21, in Campbell, have been received by Campbell Unit of the American Legion Auxiliary.

"Making these flowers has provided interesting employment for veterans at the hospital all during the winter and spring months," explained Mrs. Clarence Fagalde, Poppy Chairman of the Auxiliary Unit. "It has helped keep their hands and minds busy, relieving them of long hours of tedium and contributing its occupational therapy value toward their recovery.

"Poppy making has given these veterans the encouraging experience of being able to earn money again, often after many months of idleness. They are paid by the Auxiliary for each poppy they make and are able to earn helpful amounts during the poppy-making season.

"Much of the money is sent home by the veterans to help support their wives and children, who often have a difficult time when the veterans require hospitalization and are unable to work for long periods. It gives the veterans a decided lift in morale when they are able to send something to their families. Those without dependents use the money to create a nest egg for themselves against the day when they leave the hospitals and endeavor to re-establish themselves in life.

"The poppies are fashioned by hand, veterans working in their beds, in wheel chairs or in occupational therapy shops. Materials are provided by the Auxiliary and the finished products collected regularly by Auxiliary workers. The flowers are made of crepe paper in replica of the little wild poppies of France and Flanders, which grew on the battlefields and cemeteries of the two world wars.

"A film depicting the making of these poppies will be shown at Campbell Theater May 16, 17 and 18. The Campbell American Legion Auxiliary thanks the management for this patriotic cooperation."

# Local Cadets Win Promotion

Promotion of eight student members of the Campbell Union High School's unit of the California Cadet Corps at Campbell, is announced by Cadet Corps headquarters in Sacramento.

Those promoted were:

To be cadet captain — Cadet First Lieutenant Bruce B. Bobbitt; to be cadet first lieutenants—Cadet Second Lieutenants Philip J. Cosentino and Sherwood Rodgers; to be cadet second lieutenants—Cadet Sergeants Richard Abinante, Joel Aguilarra, Clifford Akers, James England and Robert Thompson.

### ENLISTS IN MARINES

Richard M. Burnett, 17, son of Mr. and Mrs. William M. Burnett of Campbell, has enlisted in the U. S. Marine Corps and is in boot training at San Diego, where he reported for duty April 12.

The Mother Lode in the central Sierra Nevada and placer areas derived from it, have been the most productive gold regions of California.

**Swinging on Strains of a Melody.** Rian Taggart, popular New York model, demonstrates the strength of a new "super-tensile" music string. It was made from the world's strongest steel wire, perfected at Worcester, Mass., Works of American Steel and Wire Company, a subsidiary of U. S. Steel. The string is designed for violin, tenor banjo and guitar. The wire has more than twice the tensile strength of the individual strands spun into cables that support the San Francisco-Oakland Bay Bridge in California.

# Scout Camporee This Weekend

Boy Scouts of Santa Clara County Council will hold a camporee Saturday and Sunday, May 15 and 16, at the County Fair Grounds.

The public is invited to an evening campfire at 8 p.m. Saturday and to attend closing ceremonies at 1:30 p.m., Sunday.

Arrangements were made by the council camp committee, headed by Robert C. Kirkwood. Albert Smith of Campbell is a member of the committee in charge.

# PTA Potluck Set for May 19

Because of a state convention of Parent-Teachers Associations in Sacramento, Campbell High School PTA has postponed its meeting from May 12 to Wednesday, May 19.

Potluck supper will be served at 6:15 that evening in Buc's cove, with the faculty as hosts.

Executive board members will meet from 1-2 p.m. May 19 in the office of Laurance J. Hill, high school principal.

Within a year after his arrival in California in 1839, John A. Sutter was authorized to acquire a land grant of 11 square leagues.

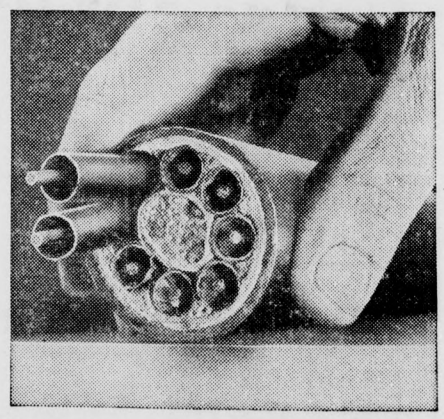
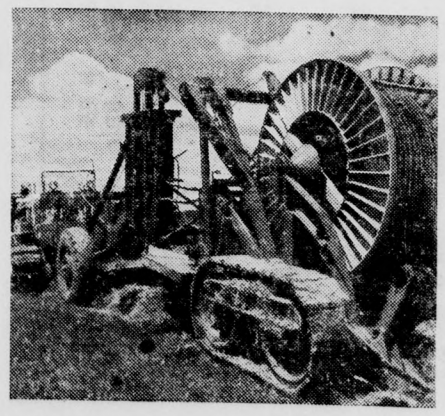
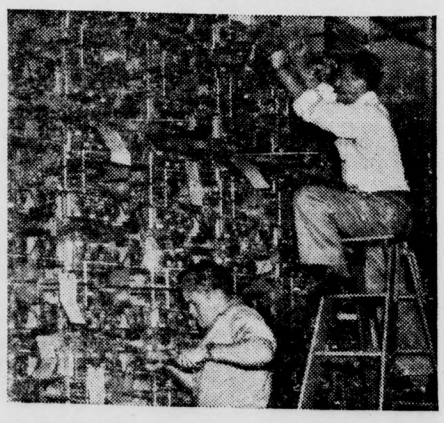
"WORLD'S LONGEST SPEAKING TUBE"
now pipes calls East



1. **Imagine packing 500 voices** together in a tube no bigger than a pencil and sorting them out distinctly at the end! That's what we're doing with coaxial cable. Radio-type waves whisk calls through pipes...instead of on wires...allowing one "co-ax" to to do the work of a number of the more usual kinds of long distance cable.



2. **We plant "co-ax"** with giant plows that lay the cable in one operation. Every eight miles a "booster station" keeps calls going through clearly. For—incredible as it seems—high frequency waves fade so rapidly in the cable that all the sun's energy, if it could be funneled into the pipes, would not carry half-way across the country.



3. **"End of the line"...** it takes huge panels of complex equipment like this to sort out the calls carried by just one cable. Since December, calls have been going back and forth from the Coast to the East over 2300 miles of "co-ax." And we're adding still more cables to augment long distance service for the growing telephone population on the Coast.

**Millions of new working dollars,** needed to extend and improve service, must come—not from telephone bills—but from thousands of people who put their savings to work in the telephone business. To attract these working dollars, we must pay a reasonable amount for their use. We can do this only if we sell our services at fair and adequate prices.

# GRANGE NOTES

Orchard City Grange No. 333 held its regular meeting May 11 at the Odd Fellows Hall, Campbell. H. Shadle, master, presided. The lecturer, Mrs. N. Rutherford, presented Mr. Martis of the former Eliot Nursery, who gave an interesting talk on tuberous begonias. There were many questions asked. Several door prizes of potted plants were given as a compliment of the nursery. A reading, "Madam X" in commemoration of Mother's Day was given by Mrs. R. Wurfer and also some philosophy gems by Mrs. Scarper. At the business meeting Mr. H. Barnes reported on the Central Valley water and power conference. Mr. M. Keesling reported on the drive to raise funds for new gowns for the Pomona Grange drill team taken up by the subordinate Granges. Orchard City Grange responded by putting on a minstrel show to be given at our next meeting. May 25. This will be an open meeting. Bring your friends. Admission 50 cents which will include refreshments. Master H. Shadle reported on the fair ground committee meeting and on the coming state convehtion to be held at San Jose. A letter from Albert S. Goss, national state master was read. The prorata payment of the revolving fund for publicity work was taken under advisement. San Jose Grange Master Ida Scow extended an invitation to the 76th year anniversary of the San Jose Grange to be held May 17 at the I.O.O.F. hall in San Jose. Four applications for membership were announced. Refreshments followed the meeting.

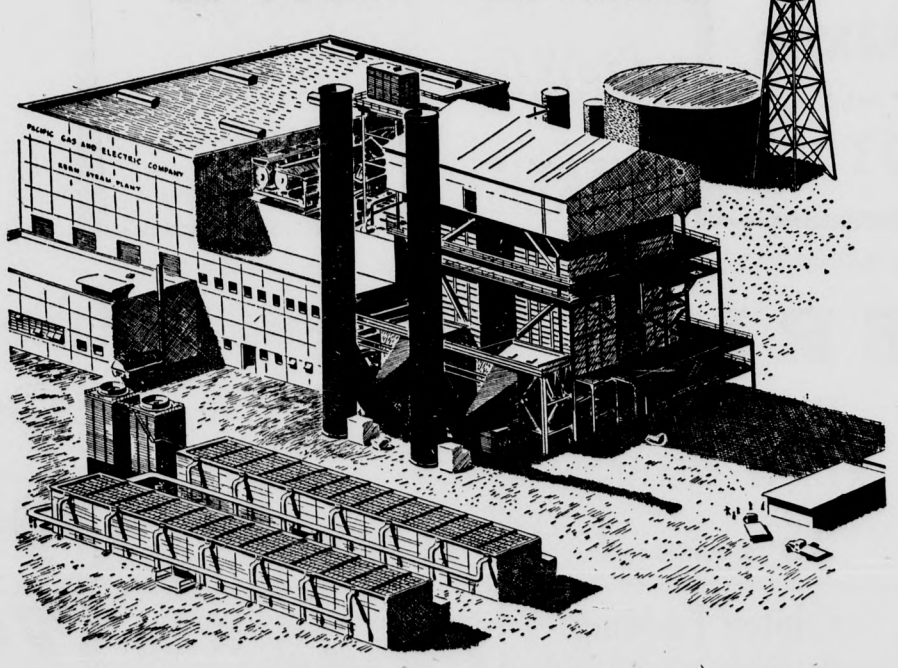
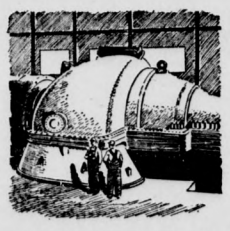
# New Kern plant adds 101,000 horsepower to P.G. and E. lines



**Last week,** the first giant generator of P. G. and E's new Kern Steam Plant near Bakersfield, began turning out 101,000 electrical horsepower for Northern and Central California. Another and still larger generator will be completed later. This is the 70th major power plant in P. G. and E's system... already one of the nation's largest... and the first major unit in a $400,000,000 postwar program to add nearly two million horsepower in generating capacity. Other plants are on the way, some nearing completion. Construction is going full speed ahead all along the line.

**Four towering boilers,** a full eight stories high, produce superheated steam that makes generators whirl. 40 freight cars of material went into each boiler. They burn either gas or oil to make steam at 935°F. — four times as hot as that from your teakettle. It's sent to the turbines under tremendous pressure.



**A mighty package of power...** this generator is the heart of Kern. It was ordered originally in 1941, re-ordered after V-J Day and received only this year. Beneath its hood, the precision-made generating unit turns at 1800 revolutions per minute, pouring out new electrical energy for homes, farms and factories.

**for the record**

The first Kern unit produces enough power to serve Berkeley and San Jose

Tons of parts were brought in by plane to speed construction

steam output of the 4 Kern boilers would run 21 giant freight locomotives at full speed

# CROP FIRE GIRLS

All Campbell Camp Fire Girls presented a Dutch Folk song at the county-wide Grand Council Fire held last Saturday at Herbert Hoover school. Mrs. Eugene Andres led the group dressed in Dutch costume.

A successful Father-Daughter Banquet was held last week at the Congregational Church by the Odakonya Camp Fire Girls under the leadership of Mrs. D. W. Ribble. Each father was greeted at the door by his daughter who presented him with a boutoniere and introduced him all around. The dinner was planned and prepared by the girls with money which they earned. Assisting with supervision were Mrs. Eugene Andres and Mrs. L. E. Means.

After dinner the girls presented a play which explained the Camp Fire program. The remainder of the evening was spent in playing Charades and in relay races.

Fathers, real or borrowed for the occasion, were as follows: LBen Howard, R. D. Seabock, G. P. Zimmerman, Eugene Andres, L. E. Means, Robert L. Carlson, John B. Chambers, Merle Shaves, Hale Vagts, Al Continho, Roy A. Burnett, Leslie Titus, Walter R. Silberbauer, Otis Strickland, Ted Solari, Dave Ribble and Oscar Walter.

# Course on Scouting Draws County Leaders

A large and interested audience greeted the opening session of the "University of Scouting" — an eight week course of specialized training for four groups of Scout Leaders. They include Cub Scout Leaders, Boy Scout Leaders, Senior Scout Leaders, and Scout Commissioners.

Eighty-three men from all over the Council territory were present to hear short challenging talks by Oliver E. Brown, Chairman of the Council Training Committee and C. D. Bartlett the Scout Executive.

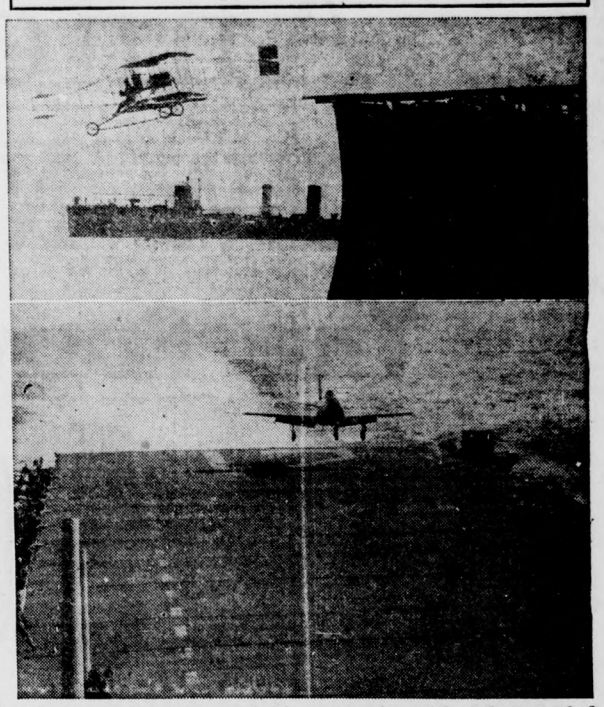
The main part of the evening was given over to a presentation of the Fundamentals of Scouting, ably done by Bill Wadsworth and accompanied by colored slides.

Starting next Wednesday the course will be run in four sections with exhibits, games and discussions appropriate to each group. All sessions will be held at the Roosevelt Junior High School in San Jose except the week-end outdoor session which will be held at the Stuart Scout Ranch.

All men interested, especially fathers of Cubs or Scouts, are invited to attend.

From about 300,000 head at the time gold was discovered in California, the numbers of cattle increased to 1,234,000 recorded in the census of 1860.

## THERE HAD TO BE A FIRST TIME



**Advances in American naval ships and equipment have been marked throughout the century and a half of the Navy Department's history by important milestones of progress. One of these was the first flight from the deck of a ship, made in 1910 by Lt. Eugene Ely, when he took off from a miniature flight deck on the foredeck of the USS Birmingham (upper). Three years later naval aviation had its actual start when Admiral George Dewey signed the report of the General Board, which recommnded the establishment of a Naval air arm. Today aviation is one of the elements in the three-pronged American Navy. Flowering of "Navy Air" can be symbolized in such scenes as the lower photo in which an FJ-1 "Fury," a jet-propelled Navy fighter, makes a landing aboard the USS Boxer while the ship cruises off the California coast. # Girl Scouts To Entertain Dads

Girl Scout Troop No. 22 of Campbell, along with all other Intermediate Scouts in this trea, have extended invitations to Dad (or his substitute) to a dinner and campfire rally to be held at Alum Rock Park on Friday night, May 14, from 6:30 to 9 p.m. This is to be an informal, friendly get-together for fathers and daughters. Following the dinner there will be group singing around the campfire and a brief bit of entertainment.

Final rehearsals are in effect for the one-act comedy play entitled "Buzzies' Babies" in which all of the troop is participating. The play is to be presented on May 22.

The girls, along with their leaders, wish to thank Rev. Carlson of the Congregational Church for his generous cooperation in allowing the use of the hall for the play. Also to thank Mrs. Royal Page for attending to the details; Mrs. Nadine Webb for assistance and transportation, and Mrs. Ethel Arnold for general assistance and transportation.

CALIFORNIA DECIDUOUS COUNCIL
A NON-PROFIT SERVICE COOPERATIVE
1510 RYE STREET
SACRAMENTO 14, CALIFORNIA
May 1, 1948
Dear Mr. Carmichael:
As President of the California Deciduous Council, representing through its membership practically all of the growers and shippers of fresh deciduous tree fruits and grapes in the State of California, I would like to advise that on the many trips to Washington our group has had to make in the interests of our farmers and fruit growers, no Congressman from the State of California has proved more helpful than Congressman Jack Anderson. He has always been in the fore-front, ready and eager to serve the best interests of the fruit growers of this state.
In March of this year, when we were in Washington seeking amendments to the Marshall Plan legislation in an effort to solve the problems of surplus agricultural products, Congressman Anderson again championed the cause of the farmer and fruit grower.
As President of the California Deciduous Council, I can state without reservation that throughout his long term of office, Congressman Anderson has been the friend and supporter of the fruit growers of the State of California, and I heartily endorse his re-election.
Very truly yours,
CALIFORNIA FARM BUREAU FEDERATION
2223 FULTON STREET

Honorable Jack E. Anderson
Member of Congress
House Office Building
Washington, D. C.
Dear Congressman Anderson:
This is to express on behalf of the California Farm Bureau Federation and its membership our appreciation for your leadership in obtaining inclusion in the Foreign Assistance Act of 1948 provisions relative to the shipment of surplus farm commodities.
The part you played in getting this important principle incorporated in the legislation was a real service and contribution to the welfare of California agriculture.
With the most cordial personal regards, I remain
Sincerely yours,
RAY B. WISER, President,
California Farm Bureau Federation

Dear Jack:
We have received official copies of the Foreign Assistance Act of 1948. The language relating to industries such as ours is quite satisfactory and under proper administration, I feel sure that both the industries here and recipients in foreign countries will be benefited.
We have constantly been aware of the fine work which you have done in connection with this activity, and we again wish to express our full appreciation and ask your sustained support in carrying out the intent which you have had in mind in this long and difficult program.
I expect to be in Washington the latter part of this month and will look forward to seeing you at that time.
Cordially yours,
Assistant General Manager
cc: Mr. Earl B. Lee

## U.N. Facts and Faces . . . . . URUGUAY

**Great herds of livestock, grazing peacefully on miles of flower-brightened plains, furnish the basis of Uruguay's living. From the wealth of her lands, 90 percent of which is used for grazing, Uruguay has built a socially-advanced, stable and strongly democratic nation. The smallest republic in South America, her 2,300,000 people live in 72,172 square miles, slightly smaller than Great Britain. Although agriculture is Uruguay's most important occupation, the republic is making steady strides toward industrialization, using her abundant water power. Uruguay is permanently represented at United Nations Headquarters by Dr. Enrique Rodriguez Fabregat. Her flag has white and blue stripes with sun emblem**

(Continued from page 1)

tunias, pansies, tomato plants, rutabagas (kind of a turnip of a yellowish color) and stuff that the Strong boys got on display . . . and all growing 'live in boxes make a guy wish he didn't have to work for a living . . . and could just get his hands in the ground and plant some of those delicious looking thing they got. (Peggy just said, "don't say, 'they got, say 'they have.') Huh, I know they gottem, I looked for myself. Pretty, too.

Wonder if Bill Maderis ever did locate his charter member Rotary button? Now what do you 'spose could have become of it? Probly took it home with him. Or maybe a individual by name of Ed —— could shed some light? ?

x x x

At this juncture I swing back around First street . . . past where the Campbell Water Company is putting up a half inch thick half million gallon water storage tank . . . and go back up to Winchester road where I find a great big hole in the ground on the corner of Winchester and San Tomas . . . and by discreet inquiry I find that the brothers Buck are planning some kind of big development. Guess you know that one of the bros. is running for city councilman . . . name of Earl . . . and the electorate can't go far wrong on this man . . . his eyes are on the future, and his heart is for the best interests of our town.

x x x

Down on the corner of Central and Campbell avenues A. A. Arends has done a fine piece of face-lifting on his one time bank building. Dobie Jeffers is going great guns with his men's furnishing emporium. Started right off with a sale . . . soon as he opened the doors for business a week ago . . . Dobie reports that some lucky people are going to hit the jack pot come this Sat. eve. at 8 p.m. Federal postal laws prohibit me from giving the whys and wherefores so all I can do is suggest you drop in and let Dobie explain how easily you too can profit by his generosity.

Well . . . here we go; for the third time in 42 years Campbell is going to vote on the question of incorporation. Some of the old time folks with larger land holdings are "agin" the idea. Self-government is the vital issue. Remember the story of the tea party in Back Bay? 303 prosperous and lovely California towns have led the way. The idea is really nothing new or novel. And there's nothing to be afraid of . . . except fear itself. The largest number of registered voters in the history of the community stand ready to express themselves by their royal and ancient American heritage of the referendum. Regardless of the final tally of votes on the night of May 25 . . . we will continue to think this part of the Santa Clara valley is blessed with more of the better things of life than most places.

very end H.D.B.

# Amateur Boxers Slated for Aud.

Amateur boxing is returning to San Jose after a lapse of four years, and indications are for a near capacity crowd when Promoter Vic DiTullio presents his first all-star show at the Civic Auditorium, Thursday night, May 20.

While San Jose has not had official programs it has been represented by a bevy of amateur stars, including sensational Eddie Chavez, lightweight who chalked up 43 straight wins. Other San Joseans who have been winning regularly in "foreign" bouts include Manuel Alarcon, Lolo Martinez, Eddie Smith and Jimmy Huckabay.

In addition, two former San Jose State stars, Charley Townsend, ex-Pacific Coast Intercollegiate champion, and Bill Semas, are prepared to scrap in the amateur ranks.

**DDT, the powerful insecticide, is loaded aboard a plane at an airport in Greece before a spraying mission over a swampy mosquito breeding ground. ## *Check for the Children*

**As demolition squads ripped down buildings to make way for the new United Nations headquarters in New York, businesses on the six-block site were forced to move to new quarters. The Consolidated Laundry Corp., endorsing U.N. which took over its garage, used the occasion to turn over a check for $1500 to the U.N. International Children's Emergency Fund. Here Charles P. Kramer (right) of the company gives the check to U.N. Legal Counsellor Joseph B. Self as a UNICEF supply official looks on.**

# All-Star Teams Compete May 30

The third annual North-South High School all-star baseball doubleheader will be held at San Jose's Municipal Stadium Sunday night, May 30, Memorial Day, it was announced yesterday.

Prep stars from South San Francisco in the North to Gilroy in the South will vie for top honors in the annual classic. The boy voted outstanding by a panel of judges will receive an all expenses paid trip to Chicago, where he will see several Major League games as well as the College All-Star vs. Chicago Cardinals football game.
